2. Designations

2.1 Certification

The Certified Speaking Professional (CSP) designation and the FPSA (Fellow Professional Speakers Association) are recognized by the GSF as the official certifications of member speaking associations.

2.2 Global Speaking Fellow

In 2013, the GSF developed the criteria for a CSPGlobal designation and conferred its first class of 21 recipients during the 2013 Global Speakers Summit in December 2013. On January 13, 2016, the CSPGlobal designation was renamed to Global Speaking Fellow. The criteria of the Global Speaking Fellow are as follows:

The designation, Global Speaking Fellow, is conferred on those who have proven mastery of the core global speaking competencies over a minimum of three years, received favorable reviews by the clients who have hired them, demonstrated sustainability as a global presenter, presented professionally in a designated percentage of the macro geographical (continental) regions / geographical sub-regions as defined by the United Nations, and earned the favorable reviews of peers in the profession who hold the Global Speaking Fellow designation.

The first requirement of the Global Speaking Fellow application is that the applicant currently holds the CSP or FPSA. The CSP is conferred by qualified member associations of the GSF. In local markets, the CSP is the internationally recognized certification for professional speakers. The GSF also recognizes the FPSA designation conferred by PSA UKI.

For those who wish to expand beyond their local markets, the GSF makes available the educational content to guide those working across continents. The GSF confers the complementary global addition to the CSP and/or FPSA designation with the Global Speaking Fellow. In May 2020, the criteria were further defined to allow the applicant to provide virtual presentations as part of their submission.

All GSF member associations must recognize the Global Speaking Fellow as an earned designation. The GSF is committed to support the growth of member associations currently conferring the CSP/FPSA. The awarding process for the Global Speaking Fellow was reviewed and approved by the board on November 10, 2017.

2.3 Petition to Recognize Speaking Designations

Speakers associations may petition the GSF Steering Committee to have other professional speaking designations recognized. By a majority vote of the GSF Board of Directors, requested designations may be recognized.
