9. Events and Summits

9.1 Scheduling Events and Global Speakers Summits

The GSF will not host or schedule events in a local member association’s nation that competes with their local member association’s meetings. GSF may partner with member associations to bring summits and events to their local market. As a courtesy to a Global Speakers Summit (GSS), member associations will not schedule their annual event within a month on either side of a GSS.

The business model for the Global Speakers summit was presented to the previous GSF Executive Council and signed off in January 16, 2017 and provided here as Addendum A.

9.2 International / Global Speakers events at Member Association’s Conventions

The GSF may assist as requested in presenting an event for global speaking education, networking and connectivity during a member association convention.

9.3 Awards Presentations

The International Ambassador Award, the Beverly Babb award and any other GSF designated award(s) will be presented in conjunction with a members association annual convention or international event designated by the GSF Board of Directors pursuant to scheduling main-stage time, when possible, with the member association.

New Global Speaking Fellows should be recognized when possible at their own association’s annual convention and/or at an annual gathering of the GSF member associations.
